Caleb-Keith Roberts

I've been telling stories since I was a kid and have always enjoyed writing stories, scripts, poems and even telling stories through my artwork. I enjoy acting and am able to do comedy or drama. I have acting experience on camera and in theatre productions. I specialise in writing scripts and I am able to adapt poems, ideas, songs, or books to screenplays. I am always excited to work on any new projects and cant wait to begin working with you.
