JB’s Coastal Creations

We are JB’s Coastal Creations, your dynamic Mother-Daughter duo. Our names are Jerry-Dee Richardson & Brittany Haley. We pride ourselves in creating Bermuda inspired keepsakes while also offering customization of any product (or almost any product).

We incorporate Bermuda’s natural beauty in our products, ranging from our Bermuda magnets & Ornaments to our clocks & wall decor.

Our products are for local, tourist & corporate alike!

We also recently launched our mobile engraving services which can be catered at any event. We engrave on the spot for medals & wooden items (coasters, bottle openers). Expansion of engraving on the spot for more materials to come!
