Julie Murray

Treasured Blessings Bermuda was founded by Julie Murray. I began writing in 1998 and have been writing for over 20 years. When I first started writing I had a desire for my writings to be used by various greeting card companies. I sent out submission after submission to no avail, this was very disappointing and disheartening. Than in 2004 a UK greeting card company responded to me and asked me to provide various themes of greetings for their card line.

That was an opportunity which I was extremely grateful for, and I wrote for them for a few years. From there the notion took place for me to produce my own product line and utilize my God given talent (of writing) to its fullest - hence the formation of Treasured Blessings Bermuda.
